CLOSURES FOR:

Vitamins

Minerals

Supplements

PHOENIX™ | phxpkg.com

Easy open and close flip-top dispensing closures

DISPENSING MADE EASY

Do your dispensing closures tell your brand's story about health and sustainability? Mesa Nutra® from PHOENIX offers a clean, modern aesthetic with a lightweight, single resin closure that is designed to be recycled.

Mesa Nutra excels in functionality. The innovative design allows easy one-hand opening and closing for the consumer. The full lid remains open at 160°, keeping it out of the way while dispensing and provides a clean seal when closed.

For Consumer Healthcare, Food Products & Home Care

- Vitamins
- Minerals
- Supplements
- Food
- Powdered Beverages
- Powdered Cleaners
- Granular Products
