Automotive

PHOENIX™ | phxpkg.com

VISTA® offers undeniable shelf appeal with its lighter weight and sleek, modern take on a traditional design.

STYLISH

- More impact and appeal
- Modern design with rounded edges
- Exclusive Smatte™ finish has a smooth, matte look that customers want to touch

SUSTAINABLE

- Made entirely of polypropylene with no need to disassemble before recycling
- Made with less plastic than traditional CRCs
- One of the lightest 2-piece CRCs on the market, making VISTA the right choice to help meet your brand's sustainability goals

SECURE

- VISTA has passed protocols for child-resistant packaging
- High-quality closures made in the USA
- Provide a critical safeguard for children that helps to protect your customers, brand, and business
- Open and close with minimal effort for adults

PROTECT WHAT MATTERS

VISTA closures protect your customers and your brand. VISTA CRCs have been evaluated and tested by a third-party laboratory using the Consumer Product Safety Commission's protocol and standards for Poison Prevention Packaging.

VISTA® Smatte™ Finish Child-Resistant Closures

EXCLUSIVE TO PHOENIX

Smatte™ is a smooth matte look that is sleek, modern, and extremely tactile.

VISTA is available blank*, with "push and turn" text, or with a pictogram.

VISTA® Ribbed Child-Resistant Closures

A MODERN TAKE ON TRADITIONAL 2-PIECE CRCs

VISTA ribbed closures have a softer look that's highly appealing, but they also provide that reliable security expected from child-resistant closures.

VISTA® Convertible Closures

MADE FOR CUSTOMERS WHO WANT FLEXIBILITY IN THEIR CLOSURES

Convertible closures are all about flexibility and control, allowing your customers choose to use secure child-resistant protection or simply convert to a non-CRC.

- Highly popular choice for pharmaceuticals, vitamins and nutraceuticals
- Available in 38mm

For any packaging where child-resistance is a priority.
