

VITAMINS, MINERALS, & SUPPLEMENTS | WELLNESS  
OTC MEDICINES | Rx & PHARMACY | CANNABIS / CBD

# PACKAGING HEALTHCARE & PHARMA

Closures for capsules,  
tablets, softgels, gummies,  
powders, and more

**PHOENIX™** | [phxpkg.com](http://phxpkg.com)

### DISPENSING CLOSURES

- Easy to open and close with one hand
- Modern aesthetics
- Lid remains open while dispensing
- Closes securely
- Consumer-preferred functionality for vitamins, minerals, supplements, and OTC medicines

### TRADITIONAL 2-PIECE CRC

- More sustainable and lighter weight than traditional 2-piece CRCs
- Sleek, modern design for vitamins, supplements, OTC medicines, and pharma
- Exclusive Smatte™ has a smooth, matte appearance
- Convertible CRC available for optional child-resistance

### PHOENIX QUALITY

PHOENIX'S culture and quality management system enable us to meet and exceed our customers' expectations when it comes to product quality, food safety, and regulatory compliance. Our high standards help us build trust and reduce risk with our customers. Through our HACCP-based Food Safety Plan and SQF certification with a proven record of strong audit results, we ensure our quality standards are exceeded.

**PHOENIX™**
